---

Front-end developer passionate about building user-friendly, visually appealing websites. With a background in event management and carpentry, I bring strong communication, adaptability, and detail-oriented focus to the tech industry

## EDUCATION

### Frontend Development Skillcrush

- Built over 5 responsive websites with HTML, CSS, and Flexbox.
- Gained experience in JavaScript, React, and Git/GitHub for version control.
- Explored deployment strategies using GitHub Pages and Vite.
- Managed version control across more than 80 projects, ensuring consistent and reliable workflows.

### IBM Full-Stack Developer Certification (Coursera) – Ongoing,

- Learning full-stack development, including React, Node.js, and databases.
- Gaining knowledge in Agile workflows and deployment processes.

## PROJECTS

### Professional Developer Portfolio

- **Technologies:** React, Vite, Tailwind CSS, Framer Motion, GitHub Pages
- **Key Features:**
  - Designed a sleek, 2-page user-friendly interface optimized for desktop and mobile devices
  - Implemented Framer Motion to create dynamic animations for an enhanced user experience.
  - Deployed the project using GitHub Pages, including a custom domain.

### Mock Amazon Project

- **Technologies:** React, JavaScript, CSS, Jasmine, GitHub Pages
- **Key Features:**
  - Developed a 4-page responsive e-commerce website mimicking Amazon's core functionality.
  - Integrated APIs to push cart data and fetch the cart layout for a seamless shopping experience.
  - Implemented unit testing with Jasmine to validate components and ensure robust functionality.

### New Notes

- **Technologies:** React, JavaScript, Hooks, CSS, GitHub Pages.
- **Key Features:**
  - Integrated LocalStorage to create an app that saves and retrieves user notes across sessions.
  - Utilized React Hooks like useState and useEffect to manage state and handle side effects efficiently.
  - Designed a minimalist and user-friendly interface optimized for both desktop and mobile devices.

## PROFESSIONAL SKILLS

Bilingual | Presentation Skills | Critical Thinking | Team Leadership | Adaptability  
Strong Communicator | Self Aware
