Esteban Sarmiento

FRONTEND DEVELOPER

Welland, ON | estebancodecity@gmail.com | Linkedin.com/in/esteban-sarmiento | github.com/estebonbon | estebancodecity.com

Front-end developer passionate about building user-friendly, visually appealing websites. With a background in event management and carpentry, I bring strong communication, adaptability, and detail-oriented focus to the tech industry

EDUCATION

Frontend Development Skillcrush
- Built over 5 responsive websites with HTML, CSS, and Flexbox.
- Gained experience in JavaScript, React, and Git/GitHub for version control.
- Explored deployment strategies using GitHub Pages and Vite.
- Managed version control across more than 80 projects, ensuring consistent and reliable workflows.

IBM Full-Stack Developer Certification (Coursera) – Ongoing,
- Learning full-stack development, including React, Node.js, and databases.
- Gaining knowledge in Agile workflows and deployment processes.

PROJECTS

Professional Developer Portfolio
- **Technologies:** React, Vite, Tailwind CSS, Framer Motion, GitHub Pages
- **Key Features:**
  - Designed a sleek, 2-page user-friendly interface optimized for desktop and mobile devices
  - Implemented Framer Motion to create dynamic animations for an enhanced user experience.
  - Deployed the project using GitHub Pages, including a custom domain.

Mock Amazon Project
- **Technologies:** React, JavaScript, CSS, Jasmine, GitHub Pages
- **Key Features:**
  - Developed a 4-page responsive e-commerce website mimicking Amazon's core functionality.
  - Integrated APIs to push cart data and fetch the cart layout for a seamless shopping experience.
  - Implemented unit testing with Jasmine to validate components and ensure robust functionality.

New Notes
- **Technologies:** React, JavaScript, Hooks, CSS, GitHub Pages.
- **Key Features:**
  - Integrated LocalStorage to create and app that saves and retrieves user notes across sessions.
  - Utilized React Hooks like useState and useEffect to manage state and handle side effects efficiently.
  - Designed a minimalistic and user-friendly interface optimized for both desktop and mobile devices.
